SERMON STUDY

Read these verses before you begin your discussion: Mark 4:1-20

Dive deeper into this week's message and passage from the Bible. Here are some questions to help you guide your group discussion.

In this parable, Jesus tells a story about a farmer scattering seed among many different types of soil: rocky, shallow, among thorns, and fertile. Which soil do most closely identify with?

If yours is any of the other three besides fertile, what keeps you from having the kind of soil that produces good fruit? What are you going to do about it? How will you grow closer and closer to Jesus, no matter what you're feeling and/or experiencing?

How would you answer these two questions: do you get it? Will you share it?
