SERMON STUDY

Read these verses before you begin your discussion: Exodus 3:7-12, 4:1, 4:10-13; 2 Corinthians 12:9, 1 Peter 2:9-10, 4:10-11, Matthew 20:26-28

Dive deeper into this week's message and passage from the Bible. Here are some questions to help guide your group discussion.

In Exodus 3-4, Moses feels completely unqualified for what God has asked him to do, and yet, God assures Moses that it's not about him and what he can or cannot do—but it's about God, and what God can do through available people. Have you ever been faced with something you felt totally unqualified to do? A new job, new responsibility? How did you face it? How did God reveal himself to you through that experience?

A leader is anyone who steps up to make a difference—not dependent on a title, position, or natural abilities. What places in your life has God called you to be a leader? Have you answered him in obedience, or are you resisting that call in any way? Do you feel qualified, or are you depending on God to lead you through?

When we serve, we show others the goodness of God. How has someone displayed God's goodness to you by the way they served? What step do you need to take this week to serve others more and show them God's goodness?
