circle up

Use this time to gather and get everyone talking. Let your kids know that this is a safe place for them to share their feelings, emotions, and questions.

- Have your child draw something fun from their week.
- Ask your preschooler: **What is your favorite sea animal?**

watch

Watch today's Preschool video on tpcc.org/kids-messages or on the Traders Point Kids YouTube channel.

Ask your Preschooler:

- **What are ways that we can share Jesus?** (Telling our friends that Jesus loves them, inviting your friend to church with you, and sharing Jesus by loving others.)
- **Did the Holy Spirit give Peter power to swim fast or share the good news of Jesus?** (Share the good news of Jesus.) **Good job! Peter shared the good news of Jesus!**
- **Where are places that you can tell people that Jesus loves them?** (At the store, the park, on the sunny beach, at school, etc.) **Fin-tastic! You and I can tell people that Jesus loves them anywhere we go!**
- Say: **Mark 1:17:** (Pause and do motions, letting your kids repeat after you.)

Jesus (both hands point up)
said, (cup hands around mouth)
"Come follow me." (walk in place)
Mark 1:17 (make a book with hands)

From playing to praying together, have fun learning more about God!

- **Prayer Time:** Take some time to pray together as a family. Pray that, as a family, you would be brave to share how Jesus loves people no matter where you are at. God loves each of us, and He wants us to follow Him no matter what! Have your kids share any prayer requests that they might have, and allow them to pray out loud if they would like to.
- **Game Time: Is it a Dog? Cat? A Shark? Oh, it is a lion!** Have each person in your family think of an animal in their head. Remind kids to keep it a surprise! Once you think of an animal, take turns acting as if you are that animal until someone guesses what animal you are. Then move onto the next person. Take turns playing, acting, and guessing the animal.
- **Question: What is one way that Jesus loves you?**
