

MESSAGE REVIEW

As Jesus taught and healed throughout the region of Galilee, lives were changed. He taught with the authority and power of God Himself and His touch brought spiritual and physical healing to all who were brought to Him. Jesus still does this today! No matter where you are or what you've done, His grace knows no bounds. Come into the presence of Jesus and experience His love, His power, His healing and His grace.

WARM UP QUESTION

How well do you do in big crowds vs. an isolated place by yourself?

- 1** **Read Luke 4:31-44.** Set up the scene for these verses – where has Jesus been? Where is He now? What is He doing? What day is it?
- 2** What do you think amazes the people so much about Jesus's teaching (vs. 32)? Talk about your own responses to reading God's Word or hearing it taught. How much time do you spend reading your Bible vs. reading Christian books, quotes and articles?
- 3** What stands out to you about what the evil spirit knows about Jesus (vs. 34)? How much power does he have in the presence of Jesus? Do you ever feel like spiritual forces are opposing you? What would it look like to bring those things to the presence of Jesus?
- 4** What role do friends and family members play in the lives of their sick loved ones (vs. 38, 40)? Is there anyone in your life in need of the healing grace Jesus offers? Have you ever felt beyond it yourself? How does Jesus respond when sick people come to Him?
- 5** Where does Jesus go the very next morning? Instead of staying and healing more people, what does Jesus say He must do? How do you think His time of prayer directed this decision? What steps can you take to live like Jesus lived?

RESPOND

What have you learned about God from His Word? How is He asking you to apply it to your life? When will you apply it?
