circle up

Use this time to gather together and get everyone talking. Let your kids know that this is safe place for them to share their feelings, emotions and questions.

- For your elementary-aged kids, ask them about the best part of their week. Allow space for them to share a hard part of their week if they would like.
- For your preschool-aged kids, have them tell you about and draw something fun from their week.

watch

Watch today's Elementary and/or Preschool video on tpcc.org/kids-messages or on the Traders Point Kids YouTube channel.

SAY to your Elementary Schooler:

- Today we are learning about the Ten Commandments. We can find this in the book of Exodus in the Old Testament. Let's find Exodus in our Bible, starting with the Table of Contents.
- Show your child the Table of Contents and how they can use that to find what they are looking for.

SAY to your Preschooler:

- **Let's learn a verse from the Bible together. This is Romans 8:28.**
God is (both hands point up)
always at work (pound fists on top of each other)
for the good of everyone (two thumbs up)
who loves Him. (hug self)
Romans 8:28 (make book with hands)

From playing to praying together, have fun learning more about God!

- Take some time to pray together as a family. Thank God for giving us instructions for how to follow him. Ask God to help us choose to do what He says. Allow your kids to share any prayer requests that they might have and allow your kids to pray out loud if they would like to.
- Turn on our Traders Point Kids Preschool or Elementary Spotify playlists and play Freeze Dance! Show off your silliest moves. Try dancing like a cowboy or galloping like a horse!
